The Riddle Of Amish Culture
The Riddle of Amish Culture opens a window into the complex reality of Amish society that crisscrosses the postmodern, modern, and traditional worlds." (Thomas J. Meyers, Ph.D., Professor of Sociology, Goshen College, Goshen Indiana) "Donald Kraybill has written a brilliant exposition of Amish
Since its publication in 1989, The Riddle of Amish Culture has become recognized as a classic work on one of America's most distinctive religious communities. But many changes have occurred within the Amish community since then, and these changes are documented in the book. The Amish have adapted to the modern world in various ways, preserving their cultural and religious traditions while also embracing new technologies and educational opportunities. The book explores these adaptations and the challenges and opportunities they bring for the Amish people.
Amish society over the past decade, from westward migrations and a greater familiarity with technology to the dramatic shift away from farming into small business which is transforming Amish culture.

The Riddle of Amish Culture. By Donald Kraybill, 1989. The destructive work of individualism in society and of centralization in government and the economy has been going on so long that we take it for granted. When we hear about a traditional society somewhere in the world, we assume it must be on the way out.
